

Barb-Tech™ V Data Sheet

Take the **PUSH** Out of Push-Lock

BARB-TECH™
PUSH-LOCK ASSEMBLY TOOLS

Barb-Tech™ V is our next-generation portable and lightweight tool designed to simplify the assembly a wide range of hose and fitting combinations used in transportation, industrial, and construction applications as well as more Push-Lok hose and fitting combinations.

Barb-Tech™ V shares all of the "Click-On" mandrels with the rest of our tool lineup to securely hold your fittings during hose installation.

A new "Sure-Grip" hose clamp system is designed to handle a wide variety of hose materials without damaging the exterior, ensuring smooth and accurate installation of your fittings. The "Quick Change" jaw system accommodates four hose sizes: 1/4" (#4), 3/8" (#6), 1/2" (#8), and 3/4" (#12).
